CORAM: S. B. MHASE &
R.S.MOHITE, JJ.
DATE: JUNE 8, 2007.

P.C.

1. Heard. This is a matter wherein the petitioner claims that her birth date has been wrongly recorded as 18.2.1950 and instead it should have been recorded as 24th February 1953. The only document relied upon is a Certificate issued by the Barshi Municipal Council, but this entry is made on the basis of certain declarations made by the petitioner himself. The primary entry in the School Register was made on the basis of the information given by the father of the petitioner and father is the best person to state as to on which date the child is born. The original birth extract is also not produced. Therefore we do not find any substance in the contention raised by the petitioner for change of date of birth. We refrain to entertain the petitition. Petition is hereby rejected.
